Skills

- **Customer Relations:** High-volume customer service, conflict de-escalation, professional communication, phone etiquette, and client relations.
- **Store Operations:** Point of Sale (POS) literacy, accurate cash handling and reconciliation, order fulfillment, quality control, and inventory management.
- **Merchandising & Maintenance:** Strategic visual display layout, space organization, and maintaining clean, efficient workspaces.
- **Productivity & Leadership:** Multi-tasking under pressure, rapid problem-solving, strict time management, and collaborative team leadership

Experience

Events & Engagement Assistant

University of Toronto

Sept 2025 -- April 1

Toronto, ON

- Served as a primary point of contact for large crowds, communicating information clearly and professionally to deliver an exceptional guest experience.
- Multitasked under pressure to coordinate real-time event logistics, consistently meeting strict daily schedules and operational deadlines.
- Collaborated closely with cross-functional teams to quickly resolve floor issues and keep operations running smoothly during peak hours.

Event Manager/Vice President – Create UofT

University of Toronto Scarborough

Sept 2025 -- Present

Toronto, ON

- Led by example by staying highly active in the organization, overseeing a team, and ensuring all campaigns were executed on time.
- Coordinated logistics and timelines for multiple events, demonstrating a high level of responsibility and attention to detail.
- Reported progress directly to executives, providing clear updates and maintaining professional standards.

Operations & Customer Service Coordinator

Private Culinary Business

Jan 2023 -- 2025

Toronto, ON

- Managed incoming client phone calls, answered inquiries, and accurately processed custom orders in a fast-paced environment.
- Handled point-of-sale (POS) transactions, processed cash and card payments accurately, and ensured precise daily cash reconciliation.
- Oversaw inventory packaging, meticulously verifying order details to maintain high standards of presentation and accuracy.
- Coordinated delivery schedules and optimized routing to ensure timely and efficient order distribution to clients.

Librarian

Sir Wilfrid Laurier Collegiate Institute

April 2022 -- 2024

Toronto, ON

- Provided welcoming front-desk customer service, managing high-volume visitor inquiries and processing circulation transactions efficiently.
- Managed inventory organization and merchandising layout to maintain a tidy, visually appealing, and safe environment for visitors.

Math Tutoring

Oct 2022 -- Present

Private Institutes

Toronto, ON

- Self-organized custom lesson plans and schedules, proving reliability and strong time-management skills.
- Adapted communication styles to resolve complex problems, demonstrating patience and empathy under pressure.

Web Manager and Marketing Director – UTSC ARISE

June 2025 -- Present

University of Toronto Scarborough

Toronto, ON

- Maintained a professional digital presence while balancing technical updates with stakeholder requests.
- Gathered requirements and feedback from student leaders to improve user experience.
- Managed independent projects while staying aligned with the organization's broader mission.
